

CROCODILES NOT WATERLILLIES—presented by Ian Stephens

SELF LEADERSHIP AND TEAM DYNAMICS PROGRAM

An innovative 'Team Culture' program that will build and strengthen you and your organisation. This program gives you principles and models to help you create a 'Success Encouragement Team' culture, take charge of your life, be "on purpose" and realise your highest potential. Participants will practice what they have learned through practical activities/ workshops, made for an entertaining, memorable, truly hands-on and effective course.

OUTCOMES

- Increase clarity of personal vision
- Enhance relationship building skills
- Achieving goals, targets and outcomes with less stress
- Mastering new habits and eliminating unresourceful/ limiting behaviours
- More effective team-work and improved team culture
- Develop an Opportunity- Focused Attitude
- Eliminate Stress at Home and at Work
- Practice Effective Systems for Your Personal Life, Family or Workplace
- Build Focus Towards Achievement of Your Goals
- Increase Your Productivity, Your Creativity and Your Ability to Cooperate with others

CONTENT

- Learn the Pathway to Mastery, and practice it
- Learn 38 life changing principles, remember them and apply them
- Develop principles and tools for managing "Self" more effectively and enhancing personal and team effectiveness
- Explore team-work, emotional intelligence, time management, assertiveness and stress management
- Enjoyable, fun, experiential learning activities

Why have it?

The program uses MARS, a unique learning technique leading the world in memory retention and lasting behavioural change. Seminar attendees average an unprecedented rate of over 90% memory retention of the program material and the 38 principles of Mastery – If you can recall it, you can use it!

Ian Stephens is a trainer with a passion for the practical. His entertaining and dynamic sessions demonstrate how to build and create practical productivity tools, and develop skills that the front-facing sales force can use to increase revenue.

Formerly a management consultant with the international sales / revenue generation specialist, Ian has global experience working with a large range of national and international clients. His expertise creates the means for clients to make their revenue strategies happen.
